

FAA Safety Team presents:

CFI/DPE Forum

In this presentation we'll discuss the events that occur in and around the first hour of flight instruction. We'll learn why good beginnings are essential in establishing positive safety cultures, attitudes, and habits in our students that will last throughout their flying careers.

Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

Directions: Hanover County Airport is located 15 minutes north of Richmond, Virginia and about 5 minutes from I-95, 10 minutes from I-295, and 15 minutes from I-64. The address is 11152 Air Park Road, Ashland, Virginia 23005. The seminar will be held in the Heart of Virginia pilot training classroom. "Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines."
